Dear Community Partner,

For more than 40 years, JuMP Company (Junior Musical Playhouse) has used musical theatre as a powerful educational tool—helping young people grow not only as performers, but as confident, capable individuals prepared for life beyond the stage. We invite you to partner with us in our 2026 season in continuing this meaningful legacy.

JuMP Company is a 501(c)(3) nonprofit organization founded on the belief that every child deserves access to experiences that build confidence, character, and community. Through our productions, students receive instruction in the performing arts while developing essential life skills such as teamwork, discipline, communication, responsibility, time management, problem-solving, and perseverance—skills that serve them in school, careers, and relationships long after the curtain closes.

An important part of our educational model includes teaching students how to engage with and seek support from their community. In the months leading up to each production, cast members are guided in respectfully approaching local businesses, families, and supporters to share JuMP's mission and invite sponsorship. Through this experience, students gain real-world skills in professional communication, self-advocacy, public speaking, gratitude, and relationship-building. Your sponsorship directly supports both our productions and this hands-on educational experience.

Our upcoming productions of *The Prince of Egypt* and *Dear Evan Hansen* represent 2 exciting and highly anticipated productions for JuMP Company's 2026 season. Each of these productions has a strong track record for audience appeal and community engagement, and we are approaching this season with a clear vision for artistic excellence, educational impact, and broad public visibility. Sponsorship this year offers a meaningful opportunity to align with productions that will be widely seen, well attended, and deeply impactful—both on stage and throughout the community.

By becoming a JuMP Company sponsor, you are investing in education through the arts and in the next generation of leaders, creators, and community builders. We invite you to review the enclosed sponsorship opportunities and join us in shaping lives through meaningful, accessible arts education. Your donation is fully tax-deductible. Upon receipt of your contribution, we will send you our 501(c)(3) documentation for your records.

With gratitude,

Annie Nielson
Executive Director
JuMP Company (Junior Musical Playhouse)

Sponsor Form 2026

Please return this form with your payment.

Business or Family Name: _____

As you would like it to appear on advertising materials

Phone: _____ Email: _____
